All guidelines and rules will be strictly upheld in order to maintain integrity of the program. Violations will result in forfeiture of the individual's club membership, and may result in the member being expelled from the Connecticut Ski Council.

The bulk ticket program is intended only for the use of bona fide members of the Montachusett Ski Club or the Connecticut Ski Council and their immediate family. **Club ID will be required at the time the vouchers are redeemed. No Exceptions!**

Bulk tickets will only be sold to members with appropriate identification and valid club membership cards. The distribution of these tickets or vouchers through other avenues will result in forfeiture of the bulk ticket program and other future programs.

These vouchers are good for the entire 2016-2017 ski season including weekends and holidays. There are no blackout dates.

A percentage of unused vouchers "may" be returned for partial credit toward the purchase of bulk tickets for the 2018-2019 ski season. Final return information and eligibility will be determined by the individual mountains at the end of the season. All returns must be completed by the spring 2018 deadline date to be announced at a later date. Watch the newsletter and website for more information.
